Projects highlighted in RED have notable changes this week. Construction is tentative and subject to change at any time.

CONSTRUCTION PROJECTS

**DRISCOLL SIDEWALK FROM WELLESLEY AVE. TO BISMARK PL.**

- Project substantially complete.

  The project includes installation of approximately 2,700 feet of sidewalks and 12 ADA ramps.

  This is a $375,000 project funded with Transportation Improvement Board (TIB) and Transportation Benefit District (TBD) funds.

**ERIE STORMWATER FACILITY FROM FRONT AVENUE TO TRENT AVENUE**

- Erie Street is closed from Trent Avenue to Denver Street.

  The project includes construction of a new stormwater facility including bio-infiltration swales and related drainage structures.

  This is a $2.1 million project funded with local and Washington State Department of Ecology funds.

**FIVE MILE ROAD FROM LINCOLN TO STRONG ROAD**

- Five Mile Road is closed between Lincoln and Strong Road.

  This project will include full depth pavement restoration on Five Mile Road, from Lincoln to Strong. The project includes the installation of ADA ramps at intersections and crosswalks, replacement of an 18" steel water main (from Lincoln to Strong),
stormwater improvements (swales and trees), installation of pedestrian illumination at Five Mile and Strong Road, and the installation of a roundabout at the intersection of Five Mile and Strong Road.

This is a $2.7 million project.

**RESIDENTIAL GRIND & OVERLAY**

- Project substantially complete.

  This project includes grind and overlay and ADA ramp reconstruction where necessary.

  This is a $1.3 million project funded with local funds.

**SPOTTED ROAD TO ALLMAN ROAD SEWER REPLACEMENT**

- This project is substantially complete.

  This project will replace a deteriorated 12-inch sewer pipe with a new 15-inch pipe in the same location.

  This is a $619,000 project.

**SPRAGUE AVENUE REBUILD PHASE 2**

- Sprague Avenue is closed between Scott and Grant Street. 1st Avenue is serving as the detour route; businesses are open!

  This project includes water, sewer, and stormwater utilities, new sidewalk, and roadway reconstruction. There will also be utility work in Grant Street and Riverside Avenue from Sprague Avenue to the University Bridge landing.

  This is a $3.1 million project.

**COMBINED SEWER OVERFLOW (CSO) CONSTRUCTION**

**I-07C & CSO 34-1 CONTROL FACILITIES**

- Project substantially complete.

  I-07c work is to construct a 200,000 gallon Combined Sewer Overflow Tank and CSO 34-1 work is to construct a 1.4 million gallon CSO tank. These projects are part of the “It’s all about the River” program to keep our greatest asset, our river, clean.
I-07c is a $2.8 million project and CSO 34-1 is a $13 million project.

**SPOKANE FALLS BOULEVARD COMBINED SEWER OVERFLOW TANK (CSO 26) PROJECT**

- Construction proceeds on the 2.2 million-gallon CSO tank by the Downtown Library.
  - Lincoln Street between Main Avenue and Spokane Falls Boulevard is closed to traffic as crews construct the flow control chamber. **One southbound lane will reopen on Monday, Dec. 16.**
  - Crews continue to work in the plaza on Spokane Falls Boulevard. The plaza will be closed for the winter to protect it from damage from ice melt.

The project is part of the City’s efforts to get to a Cleaner River Faster. The tank will include a new public plaza with views of the lower falls of the Spokane River.

The $20 million project is being paid for with City Utility funds.

**NON-CITY OBSTRUCTIONS**

- Lincoln between Summit Parkway and Broadway will have both travel lanes shifted into the median at separate times on 10/29/19 to 11/22/19 for Cascade Cable Work.
- Wieber between Shawnee and Prairie will be closed completely from 11/13/19 to 11/22/19 for MDM Excavation work.
- The east curbside lane of Ash between Heroy and Longfellow will be closed from 11/11/19 to 11/25/19 for Avista work.
- The west curbside lane of Maple between Wabash and Wellesley will be closed from 11/11/19 to 11/25/19 for Avista work.
- The southbound lane of Regal will be shifted into the median at the intersection of Regal and 46th on 11/11/19 to 11/25/19 for Avista work.
- The southbound curb lane of Regal between 35th and 39th will be closed from 11/11/19 to 11/25/19 for Avista work.
- The curbside north bound lane of Indian Trail will be closed between Weile and Fleming on 11/11/19 top 11/25/19 for Avista work.
- Garland Avenue between Post and Monroe will be closed 11/26/19 from 6 a.m. to 1 p.m.
- The northbound land of Barnes west of Rustle Road will be closed and traffic will be flagged in both directions from 11/18/19 to 12/3/19 for Avista work.
- The northbound lane of Hatch between Hangman Valley Road and Highland Park Drive will be closed to traffic will be flagged in both directions from 11/20/19 to 12/5/19 for Avista work.
- The southbound lane of Hatch between Torrino and Blackwood will be closed and traffic will be flagged in both directions from 11/21/19 to 12/6/19 for Avista work.
- The east curbside lane of Nevada Street between Holland and Jay will be closed from 11/18/19 to 12/13/19 for Quanta work.
• The east curbside lane of Maple Street between Nora and Knox will be closed from 11/25/19 to 12/13/19 for Sefnco Communications work.

• The curb lanes of 1st Avenue between Lincoln and Post (only one lane at a time) will be closed intermittently from 1/1/19 to 12/31/19 for steam plant remediation.

PEDESTRIAN AND BIKEWAYS

MANITO PARK MIRROR POND

• The next phase of work on the Manito Pond Mirror Pond master plan gets underway soon. Read details here. Thank you for your patience during renovations while we create a healthier pond!

RIVERFRONT PARK CONSTRUCTION

• **Pavilion**: The Pavilion is open as of Friday, Sept. 6. Thank you for your patience during construction!
• **North Bank**: The North Suspension bridge is closed for renovation/maintenance. Work on the North Bank playground is underway with site preparation. The playground is anticipated to open fall 2020.
• The website for redevelopment is www.riverfrontparknow.com.

SOUTH GORGE TRAIL PHASE 1

• Work continues on this project; there are no traffic impacts.

This project includes construction of a 10-foot pedestrian trail, pavement and water main reconstruction of Clarke Avenue, and stormwater mitigation at various locations.

This is a $3.5 million project.

STREET DEPARTMENT PROJECTS

LEAF PICKUP

• Fall leaf pickup continues in the Audubon, Downriver and Northwest Neighborhoods. View the schedule on our website!

POTHOLE CREWS

• City crews continue to fill potholes. If you see a pothole, report it by calling 3-1-1. Potholes can also be reported online through your MySpokane account. Crews focus on the largest holes on the busiest streets first. Include as much information as possible on the location and size of the pothole.
**SNOW REMOVAL**

- Citizens are asked to park on the odd side of the street in residential areas for snow season, which runs from November 15 to March 15.

**WASHINGTON STATE DEPARTMENT OF TRANSPORTATION (WSDOT)**

**US 395 – NORTH SPOKANE CORRIDOR (NSC) – BNSF 2ND RAILROAD REALIGNMENT**

- The three year Wellesley Avenue closure between Market and Freya Street will start tonight, Nov. 21.
- The following streets are permanently closed:
  - Bridgeport, Cleveland and Fairview Avenue between Ralph and Market Street
  - Grace, Marietta, and Jackson Avenue between Ralph and Greene Street
- Drivers will have east/west access on Upriver, Carlisle, and Euclid Avenue.
