- The state of Washington is complying with Gov. Jay Inslee's "[Stay Home, Stay Healthy](#)" order to provide social distancing to slow the spread of COVID-19 in our communities. Please limit travel to essential trips only during this time.
- Some construction projects have been suspended during the "Stay Home, Stay Healthy" order and others are on different schedules. Please be prepared for changes in street obstructions.
- For details on projects throughout Spokane County, visit www.srtc.org.
- Don't compete. Share the street. Visit StickmanKnows.org for rules of the road and safety tips.

*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

CONSTRUCTION PROJECTS

37TH AVENUE SIDEWALK, MANITO BOULEVARD TO LATAWAH STREET

- This project is substantially complete; crews are working on punch list items.

This project will construct a six-foot sidewalk on south side of 37th Avenue, to include ADA curb ramps and storm drain modifications as required.

This is a \$430,000 project funded with local and state funds.

CINCINNATI GREENWAY SPOKANE FALLS BOULEVARD TO EUCLID AVENUE

- Work on this project is wrapping up; crews will be paving the intersection of North Foothills Drive and Cincinnati Street. Drivers should expect lane closures. They are also working on sidewalk pours.

This project will add greenway elements to Cincinnati Street.

This is a \$567,428 project.

FIVE MILE ROAD FROM LINCOLN TO STRONG ROAD

- Crews are working on swales.

This project included full depth pavement restoration on Five Mile Road, from Lincoln to Strong.

This is a \$2.7 million project.

HAMILTON STREET CORRIDOR SAFETY IMPROVEMENT PROJECT

- Construction on a project to improve safety along the Hamilton Street Corridor from Desmet Avenue to North Foothills Drive starts Monday, June 29.
- The following streets will be closed for two weeks:
 - Mission Avenue, Hamilton to Columbus Street
 - Desmet Avenue, Cincinnati to Columbus Street
- Hamilton Street will be reduced to one lane in each direction at the Mission and Desmet Avenue intersections.
- Additional Hamilton lane closures may occur for night work, 7 p.m. to 6 a.m.

The project is designed to make safety and traffic flow improvements at six intersections, including the addition of dedicated left turn pockets and signals.

This is a \$3.3 million project funded with local and federal funds.

POST STREET BRIDGE REPLACEMENT

- The Post Street Bridge is closed.
- The intersection of Lincoln Street and Summit Boulevard is closed and half of the adjacent parking lot.
- Parking is limited on Post Street, and the Riverfront Park parking lot on Post just south of the bridge is closed.
- The bridge will open in 2022. [See the detour routes for pedestrians and bicyclists.](#)

This project will replace the Post Street Bridge and associated utilities.

This is an \$18.5 million project.

ROWAN WATER & SEWER FORCE MAIN FROM HAVEN STREET TO MYRTLE STREET

- There is a water leak at the intersection of Haven Street and Rowan Avenue. Starting Monday, June 29, there will be a single lane closure for Haven, at which may turn into a full closure, it depends where the leak is.
- The two week closure planned at the intersection of Rowan Avenue and Market Street has been postponed.
- Rowan Avenue between Haven and Market Street remains closed as crews work on sanitary sewer installations.

This project will relocate city utilities associated with construction of the North South Corridor.

This is a \$3.5 million project funded with state funds.

SPOKANE ARTERIAL CURB RAMPS – NORTH

- Crews are doing removals at the following locations
 - Nevada Street, Sharpsburg to Vicksburg Avenue
 - Hamilton Street, Springfield to Cataldo Avenue
- Next week, crews will be in these locations pouring new ramps.

This project will update curb ramps for ADA compliance on streets where the Street Department is doing grind and overlay projects.

This is a \$1.1 million project funded with local funds.

SPOKANE FALLS BOULEVARD COMBINED SEWER OVERFLOW TANK (CSO 26) PROJECT

- Punch list work on top of the plaza has started.
- Lincoln Street is closed between Spokane Falls Boulevard and Main Avenue. This closure will be in place until September 2020.
- Crews will continue preparing for a bypass on the project and installing permanent drainage near the loading dock of the Spokane Public Library the week of Monday, June 29. The CSO 26 bypass is scheduled to begin on Monday, July 6.

This project is part of the City's efforts to get to a Cleaner River Faster. The tank includes a new public plaza with views of the lower falls of the Spokane River.

This is a \$20 million project funded with City Utility funds.

STREET PRESERVATION – NORTH

- Mission Avenue between Greene Street and Trent Avenue will open by the end of June. Trent Avenue will serve as the detour route.

The grind and overlay project will also update curb ramps for ADA compliance. This is a federally funded project and is separate from our regular grind and overlay projects.

This is a \$1.4 million project funded with federal funds.
