- Some construction projects have been suspended due to the pandemic and others are on different schedules. Please be prepared for changes in street obstructions.
- For details on projects throughout Spokane County, visit [www.srtc.org](http://www.srtc.org).
- Don't compete. Share the street. Visit [StickmanKnows.org](http://StickmanKnows.org) for rules of the road and safety tips.

***Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.***

### CONSTRUCTION PROJECTS

#### GEIGER BOULEVARD PHASE 2 FROM SODA TO GROVE ROAD

- Geiger Boulevard from Flightline Boulevard to just west of Soda Road is closed with a detour in place.

The project includes water and sewer main installation.

**This is a \$1 million project.**

#### HAMILTON STREET CORRIDOR SAFETY IMPROVEMENT PROJECT

- Crews are working at the intersections of Indiana Avenue and North Foothills Drive. There are no left turns onto Indiana Avenue or North Foothills Drive.
- Hamilton is reduced to one lane in each direction between Augusta Avenue and just north of North Foothills Drive.
- Southbound Hamilton Street is closed until Monday, April 12. Traffic is detoured at North Foothills Drive to Division Street and routed back to Hamilton at Mission Avenue. Motorists should anticipate delays.

The project is designed to make safety and traffic flow improvements at six intersections, including the addition of dedicated left turn pockets and signals.

**This is a \$3.3 million project funded with local and federal funds.**

#### NORTH SPOKANE CORRIDOR – CLEVELAND, GREENE, GRACE, JACKSON, RALPH

- The following streets are closed
  - Ralph Street is closed from Cleveland to Grace Avenue
  - Cleveland Avenue is closed from Market to Regal Street
  - Regal Street is closed from Cleveland to Illinois Avenue

Please follow all traffic control signs and detours.

This project will relocate city utilities associated with construction of the North South Corridor.

**This is a \$5.6 million project funded with local funds.**

#### **POST STREET BRIDGE REPLACEMENT**

- The Post Street Bridge is closed.
- The intersection of Lincoln Street and Summit Boulevard is closed and half of the adjacent parking lot.
- Parking is limited on Post Street, and the Riverfront Park parking lot on Post just south of the bridge is closed.
- The bridge will open in 2022. [See the detour routes for pedestrians and bicyclists.](#)

This project will replace the Post Street Bridge and associated utilities.

**This is an \$18.5 million project.**

#### **SOUTH GORGE TRAIL PHASE 2**

- Clarke Avenue is closed from Spruce to Elm Street.
- Landscaping work is taking place in the vicinity of Sandifur Bridge parking area.

Please follow all traffic control signs and detours.

This project will construct a 10-foot wide pedestrian and bike trail, water main and pavement reconstruction of Clarke Ave, and stormwater mitigation at various locations.

**This is a \$4 million project funded with local and state funds.**

#### **STREET MAINTENANCE CURB RAMPS**

- Crews are working on curb ramps in conjunction with the Hamilton Street Corridor project. This work does not have any additional closures.

This project consists of installing curb ramps on streets where the Street Department has or will be doing grind and overlay work.

**This is a \$500,000 project funded with local funds.**
