*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

CONSTRUCTION PROJECTS

COCHRAN BASIN STORMWATER PIPE

- Cleveland Avenue has intermittent lane closures from C Street to T.J. Meenach Drive.

This project will install a pipe to connect stormwater from the intersection of T.J. Meenach Drive and Northwest Boulevard to the Downriver Golf Course where it will connect to the pipe being installed as part of the [Cochran Basin Stormwater Pipe through Downriver Golf Course project](#).

This is a \$3 million project funded with state and local funds.

CURE-IN-PLACE-PIPE (CIPP) SANITARY SEWER REHABILITATION

- **Work on this project has resumed.**

This project includes the installation of 13,800 linear feet cure-in-place pipe. Also, side sewer reconnections and service connection repairs.

This is a \$1.4 million project.

CYCLE 9 SCHOOL SAFETY

- Crews are installing lights at the following locations:
 - Euclid Avenue and Cook Street
 - Perry Street and Dalton Avenue

This project includes sidewalk and crosswalk improvements in all three City of Spokane districts.

This is a \$2 million project funded with local funds.

CYCLE 9 TRAFFIC CALMING

- Work on this project is complete.

This project includes Street and sidewalk improvements focused on pedestrians and traffic calming.

This is a \$1 million project funded with local funds.

POST STREET BRIDGE REPLACEMENT

- The Post Street Bridge is closed.
- The intersection of Lincoln Street and Summit Boulevard is closed.
- Post Street is closed at Spokane Falls Boulevard with local access only. Parking is limited on Post, and the Riverfront Park parking lot on Post just south of the bridge is closed.
- [See the detour routes for pedestrians and bicyclists.](#)

This project will replace the Post Street Bridge and associated utilities.

This is an \$18.5 million project.

SPOKANE INTERNATIONAL AIRPORT RESERVOIR

- No impacts to the traveling public are anticipated.
- Construction will be complete in 2024.

This project will construct a 3.6 million gallon drinking water reservoir near the Spokane International Airport.

This is a \$13.3 million project funded with state and local funds.

THOR-FREYA RECONSTRUCTION (HARTSON TO SPRAGUE)

- Drivers should expect lane closures throughout the month of March as the contractor finishes punchlist items.

This project will reconstruct the road, replace curb and stormwater facilities, upgrade ADA ramps, and replace water/sewer.

This is an \$8.9 million project funded with federal and local funds.

TJ MEENACH STREET, SIPHON, AND STORMWATER IMPROVEMENTS

- Starting Monday, March 13, TJ Meenach Drive will be closed between Pettet Drive and Northwest Boulevard. [Detours](#) will be in place.

This project will design and construct stormwater and sanitary sewer improvements in coordination with the TJ Meenach Drive street reconstruction project. [Click here](#) to learn more.

This is a \$7 million project.

WELLESLEY – MARKET INTERSECTION REVISIONS (NSC)

- Wellesley Avenue is closed between Haven and Market Street. [Detours](#) are in place.

This project will lower the Wellesley/Market intersection to properly connect with [WSDOT's North Spokane Corridor](#) improvements. The project will widen Wellesley Avenue between Haven and Market Street from four to five lanes to increase intersection capacity in anticipation of future traffic conditions. Additionally, the existing water mains in Wellesley Avenue and Market Street will be replaced and lowered.

This is a \$2.8 million project.
