

CITY OF SPOKANE OBSTRUCTION NOTICE
December 12 – 19, 2025

For more information contact Jessica Fisher
509.625.6749; jfisher@spokanecity.org

- Traffic back-ups getting you down? Travel green. Reduce traffic congestion and save fuel by using a commute alternative. Visit www.mycommute.org for details.
- For details on projects throughout Spokane County, visit www.srtc.org.

*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

CONSTRUCTION PROJECTS

9TH AND PINE BOOSTER STATION

- There are no street closures. However, construction vehicles use 9th Avenue to access the off-street construction site for the remainder of the construction.

This project will replace the out-of-service booster station with a modern facility.

This is a \$5.3 million project.

SPOTTED ROAD BOOSTER STATION

- There are no traffic impacts.

Construction of a new water booster station for the Plains Pressure Zone.

This is a \$2 million project.

- Post Street is closed between Riverside and Sprague Avenue from 1/6/25 to March 2026 for the Peyton Building remodel.

STREET DEPARTMENT PROJECTS

LEAF PICKUP

- Leaf pickup is underway! The City's leaf pickup service is intended to remove only the leaves that naturally fall into the streets. **Residents *should not* rake leaves into the street.**

POTHOLE CREWS

- City crews continue to fill potholes as weather allows. If you see a pothole, report it by calling **3-1-1**. Potholes can also be reported online through [your Spokane 311 account](#). Crews focus on the largest holes on the busiest streets first. Include as much information as possible on the location and size of the pothole.

SNOW REMOVAL

- Residents are asked to park on the odd side of the street in residential areas for snow season, which runs from Nov. 15 to March 15.

SWEEPING CREWS

- Northwest
 - Arterial Routes
- Northeast
 - Arterial Routes
- South
 - Arterial Routes

ADDITIONAL WORK

- Crews will be working on utility cuts.

WASHINGTON STATE DEPARTMENT OF TRANSPORTATION (WSDOT)

NORTH SPOKANE CORRIDOR-US 395/NSC SPOKANE RIVER CROSSING

- The following streets are closed for work.
 - Ermina Avenue closed east of Greene Street.
 - Carlisle Avenue between Greene and Ralph Streets is closed.
 - Upriver Drive at Ralph Street will be flagged to accommodate overhead work.
- The Spokane River is closed at the Greene Street Bridge.

This project will construct the North Spokane Corridor bridge that will cross the Spokane River and connect the skyway portion near Spokane Community College to the south and at Carslie Avenue to the north of the river.
