

CITY OF SPOKANE OBSTRUCTION NOTICE
July 24 – 31, 2026

For more information contact Jessica Fisher
509.625.6749; jfisher@spokanecity.org

- Traffic back-ups getting you down? Travel green. Reduce traffic congestion and save fuel by using a commute alternative. Visit www.mycommute.org for details.
- For details on projects throughout Spokane County, visit www.srtc.org.

*Projects highlighted in **RED** have notable changes this week. Construction is tentative and subject to change at any time.*

CONSTRUCTION PROJECTS

3RD AVENUE FROM WALNUT TO STEVENS STREETS AND STEVENS STREET FROM 8TH TO 3RD AVENUES

- Stevens Street has lane reductions between 3rd and 9th Avenues.

This project is a grind and overlay of 3rd Avenue from Walnut to Stevens Streets, replacement of curb ramps for ADA compliance where needed, and stormwater upgrades.

This is a \$1 million project.

9TH AND PINE BOOSTER STATION

- There are no street closures. However, construction vehicles use 9th Avenue to access the off-street construction site for the remainder of the construction.

This project will replace the out-of-service booster station with a modern facility.

This is a \$5.3 million project.

ARTERIAL PAVEMENT REPAIR

- **Project is suspended.**

Full-depth pavement repair to preserve and maintain Spokane's streets.

This is a \$480,000 project.

CHESTNUT ST. BRIDGE SCOUR MITIGATION

- The Chestnut St. Bridge is closed with detours in place.

This project will include scour damage repair of the Chestnut St. Bridge including stream bottom and bank restoration, removal of fill, improve hydraulics under the bridge, rip/rap and repair around piers. No work is being done on the bridge structure or deck.

This is a \$2 million project.

GREENE/FREYA/HAVANA ST. BRIDGE DECK RESURFACING

- **Southbound Greene Street will reopen on Friday, July 31.** Until then, southbound Greene Street remains closed between Euclid and Mission Avenues. Here is what to expect:
 - Southbound Greene St. will be detoured at Euclid Ave. west to Division St. Drivers are urged to use an alternate southbound route.
 - Northbound Greene St. will be reduced to one lane between Mission Ave. and Carlisle Ave. Expect significant slowdowns.
 - Local access on Greene St. will be maintained between Carlisle Ave. and Ermina Ave.

This project will include bridge deck preservation work using a thin concrete overlay on Greene St. Bridge, and a polyester modified concrete overlay on two Freya St. Bridges and Havana St. Bridge.

This is a \$3.5 million.

HIGH VIS CROSSWALKS

- Crews are working at the intersection of Division Street and Wellesley Avenue. They are working north to Francis Avenue. Then crews will begin work on Francis Avenue starting at Indian Trail Road, working west to east, ending at the intersection of Francis Avenue and Magnesium Road. Drivers should expect lane closures. Crews will be working Monday through Friday from 7 p.m. to 5 a.m.

The project will install high visibility piano key crosswalks in various locations throughout the City, some locations with PCC pavement will include grooving to inset the pavement markings and replace and upgrade stop bars as needed.

This is a \$1.7 million project.

LOCAL ACCESS GRIND AND OVERLAY AND CHIP SEAL

- This project starts on Monday, July 27. The streets will be closed to through traffic with local access only and on street parking will be restricted.
 - Moran View Street and Eagle Ridge Road to Crest View Street
 - Addison Street from Euclid to Bridgeport Avenues
 - Rockwell Avenue from Crestline to Cook Streets
 - 6th Avenue from Cedar to Monroe Streets
 - Holyoke Avenue from Traft Drive to Indian Trail Road

The project will include curb to curb asphalt repair, modifying curb ramps so they are ADA compliant and striping if necessary.

This is a \$2.5 million project.

SCHOOL WALK ROUTES

- Crews are working at Garfield Elementary:
 - Normandie Street and Buckeye Avenue
 - Washington Street and Mansfield Avenue
 - Howard Street and Mansfield Avenue
 - Calispel Street and Mansfield Avenue

Spokane School Walk Routes project that will increase pedestrian safety with crossing treatments, sidewalk infill, bumpouts, and ADA curb ramp improvements for children, parents and staff walking to and from school.

This project is funded through the state.

SPOTTED ROAD BOOSTER STATION

- There are no traffic impacts.

Construction of a new water booster station for the Plains Pressure Zone.

This is a \$2 million project.

STREET MAINTENANCE CURB RAMPS

- Construction is underway. Crews will be working at the following locations.
 - Perry Street between 11th and 17th Avenues.
 - Mission Avenue between Holliston Road and Nettleton Street.
 - North Foothills Drive between Mayfair and Astor Streets.
 - Boone Avenue between Calispel and Normandie Streets.

This project installs ADA-compliant curb ramps where the street department has completed a grind and overlay.

This is a \$700,000 project.

WELLESLEY - FREYA TO HAVANA RECONSTRUCTION PROJECT

- Wellesley Avenue is closed between Havana and Freya Streets. A detour is in place.

Full reconstruction of Wellesley from Freya to Havana (35-ft., 3-lanes), including stormwater improvements, street trees, and replacing the water distribution main, and a shared use path on the south side of the street.

This is a \$4.5 million project.
