- Traffic back-ups getting you down? Travel green. Reduce traffic congestion and save fuel by using a commute alternative. Visit www.mycommute.org for details.
- For details on projects throughout Spokane County, visit www.srtc.org.

Projects highlighted in RED have notable changes this week. Construction is tentative and subject to change at any time.

CONSTRUCTION PROJECTS

3RD AVENUE FROM WALNUT TO STEVENS STREETS AND STEVENS STREET FROM 8TH TO 3RD AVENUES

- Crews are working at the following locations:
  - 3rd Avenue has lane closures between Walnut and Stevens Streets.

This project is a grind and overlay of 3rd Avenue from Walnut to Stevens Streets, replacement of curb ramps for ADA compliance where needed, and stormwater upgrades.

This is a $1 million project.

9TH AND PINE BOOSTER STATION

- There are no street closures. However, construction vehicles use 9th Avenue to access the off-street construction site for the remainder of the construction.

This project will replace the out-of-service booster station with a modern facility.

This is a $5.3 million project.

AUSTIN ROAD EROSION

- Austin Road is closed between Five Mile Road and Quamish Drive. A detour is in place, and local access will be maintained.

This project will excavate rock and reinforce the slope off of Austin Road between Five Mile Road and Quamish Drive.

CYCLE 13 TRAFFIC CALMING

- Punchlist items remain.

Improvements include installing Rectangle Rapid Flashing Beacons, curb bumpouts, Pedestrian Hybrid Beacons, bus pads, and hi-visibility Zicla zebra crosswalks, promoting a walkable and accessible community.

This project is funded by red light cameras.

CYCLE 14 TRAFFIC CALMING QUICK BUILDS

- Construction continues in all three districts.

  Improvements include installing curb bumpouts, traffic circles, hi-visibility crosswalks, and neighborhood greenway pavement markings and signage, promoting a walkable and accessible community.

  This project is funded by automated traffic enforcement cameras.

DESMET & SUPERIOR SEWER REROUTE

- The Centennial Trail is closed between Sharp Avenue and Superior Street.

  This project replaces a damaged 10-inch sewer line near the intersection of Desmet Avenue and Superior Street. The existing pipe has deteriorated due to settlement and hydrogen sulfide damage, requiring full replacement. Work involves crossing the BNSF railroad and the Centennial Trail to connect to an existing siphon vault.

  This is a $1 million project.

FISH LAKE TRAIL PHASE 1

- Construction underway: Government Way between Sunset Boulevard and 5th Avenue has sidewalk and existing trail closures.

  The project will extend the connection linking the Fish Lake Trail to the Centennial Trail to offer a safer, more accessible trail network and an improved crossing for pedestrians and cyclists. Phase 1 of this project extends the Fish Lake Trail from the Milton Street trailhead north to 5th Avenue, connecting toward the Centennial Trail. Work includes intersection improvements at Sunset Highway/Government Way, a new paved trail from Thorpe Road to the Fish Lake Trail, lighting, and warning systems in the BNSF tunnel.

  This is a $1.8 million project.

GREENE/FREYA/HAVANA ST. BRIDGE DECK RESURFACING

- Crews are working on Greene Street Bridge.
  - Northbound Greene Street is closed between Ermina and Carlisle Avenues. A detour is in place.
  - Southbound Greene Street is reduced to one lane between Carlisle and Ermina Avenues.

  This project will include bridge deck preservation work using a thin concrete overlay on Greene St. Bridge, and a polyester modified concrete overlay on two Freya St. Bridges and Havana St. Bridge.

  This is a $3.5 million.

LOCAL ACCESS GRIND AND OVERLAY AND CHIP SEAL

- This project is substantially complete.

The project will include curb to curb asphalt repair, modifying curb ramps so they are ADA compliant and striping if necessary.

This is a $2.5 million project.

PACIFIC AVENUE GREENWAY FROM HOWARD TO SHERMAN STREET

- Construction is underway. Here is what to expect.
    - Pacific Avenue is closed between Division and McClellan Streets.
    - Browne Street is reduced to one lane between Main and Pacific Avenues.
    - The intersection of Cowley Street and Pacific Avenue is closed.

The Pacific Avenue Greenway creates an east-west bike route from Howard Street to Sherman Street, improving pedestrian safety and connecting downtown Spokane to the University District. Enhancements include bike lanes, pedestrian crosswalks, green space, stormwater improvements, and signal updates.

This is a $5 million project.

SUNSET HWY (US 2) FROM SPOTTED ROAD TO ROYAL STREET BICYCLE/SHARE USE PATH

- Sunset Highway and W. Sunset Frontage Road between Spotted Road and Assembly Road have lane closures, and the sidewalk is closed to pedestrians.

The Sunset Boulevard Bike Path Project will construct a dedicated multi-use path along the north side of Sunset Boulevard, connecting Spotted Road to Royal Street and pedestrian hybrid beacon. This 10–12-foot-wide path will improve safety and accessibility for pedestrians and cyclists in a high-traffic corridor.

This is a $2.5 million project.

WASHINGTON STREET FROM 8TH TO 3RD AVENUES

- Washington Street is closed between 8th and 3rd Avenues. In addition, 8th Avenue remains closed between McClellan and Washington Streets. Here's what to expect:
    - Drivers traveling north on Grand Boulevard will be detoured at 7th Avenue to Division Street.
    - Drivers traveling north on Bernard Street will be detoured at 14th Avenue to Monroe Street.
    - The new Inland Imaging Breast Center at 799 S Stevens St. will be accessible via Stevens Street. Patients coming from the South can take Monroe/Lincoln Street, turn east onto 5th Avenue and then go south onto Stevens Street, reaching the center just south of 7th Avenue.

This project is a grind and overlay of Washington Street from 8th to 3rd Avenues, replacement of curb ramps for ADA compliance where needed, stormwater upgrades, and replacement of a water distribution main.

This is a $3 million project.

SPECIAL EVENTS

- Spokane Farmers Market – Saturdays, 6 a.m. – 12 p.m.
  Chestnut Street will be closed between 2nd and 3rd Avenues.

STREET DEPARTMENT PROJECTS

LEAF PICKUP

- Leaf pickup is underway! Track our progress here.

POTHOLE CREWS

- City crews continue to fill potholes as weather allows. If you see a pothole, report it by calling **3-1-1.** Potholes can also be reported online through your Spokane 311 account**.** Crews focus on the largest holes on the busiest streets first. Include as much information as possible on the location and size of the pothole.

UTILITY CREW

- Working on various cuts for Water and Sewer Departments.

WINTER PREP

- Crews are working on equipment maintenance for the winter season.

WATER DEPARTMENT

CEDAR STREET/HIGH DRIVE, 14TH AVENUE TO 29TH AVENUE

- Cedar Street/High Drive is closed between 14th Avenue and 29th Avenue for a water system repair. A detour is in place. The street is anticipated to reopen the evening of Monday, Nov. 9.

ADDITIONAL WORK
WASHINGTON STATE DEPARTMENT OF TRANSPORTATION (WSDOT)

NORTH SPOKANE CORRIDOR-US 395/NSC SPOKANE RIVER CROSSING

- The following streets are closed for work.
    - Riverton Avenue is closed under the Greene Street Bridge. Detours are in place.

This project will construct the North Spokane Corridor bridge that will cross the Spokane River and connect the skyway portion near Spokane Community College to the south and at Carslie Avenue to the north of the river.

NORTH SPOKANE CORRIDOR-US 395/NSC SPRAGUE AVE TO SPOKANE RIVER CROSSING

- Here is what to expect.
    - Two westbound lanes of Trent Avenue are closed from Ralph to Fiske Streets, with one lane in each direction open in the eastbound lanes, for work on a City water main. Restrictions for wide loads during work hours.
    - Desmet/Thor/Cataldo Streets are closed to through traffic for waterline work. Business access is open.
    - Street closures on Olive Avenue and Greene Street.
    - Ralph Street is closed between Trent and Boone Avenues.

This project will construct two parallel bridges from Alki Avenue to Mission Avenue. Construction also includes some work on the City of Spokane streets and a five-legged roundabout with legs to the NSC ramps (northbound on-ramp and southbound off-ramp), Trent Avenue eastbound and westbound, and Cataldo Avenue. Syndicate Boulevard and Ralph Street will be realigned and repaved. The work also involves utility relocation, drainage, signage, paving, and pavement marking.
