

Spokane's Urban Forest belongs to everyone.

***Our trees give us shade, clean air & water,
a sense of place & history, better health,
tranquility, and a unique identity for Spokane.***

Give back to the trees that give you so much!

You can support planting trees and provide other much-needed care for our valuable urban forest.

Make a donation to support the City's Urban Forestry program on your City of Spokane utility bill.

Thank You!
