

Your recycling service is changing...

Every Other Week Recycling Collection Starting May 3, 2021

Week A

Week B

Your **garbage** day will stay the same and continue to be collected **every week**.

Your **recycling** day will stay the same and start being collected **every other week**.

New recycling routes are being finalized over the next several weeks. Check the city's website for updates.

Please wait to make changes to your recycling service until you have determined your needs with the new Every Other Week Recycling Collection program.

Stay Tuned...
