

PLANNING FOR A MORE SUSTAINABLE SPOKANE

[My.SpokaneCity.org/sas](https://www.myspokane.org/sas)

The City of Spokane is updating our Sustainability Action Plan and we want your input!

Spokane is pursuing a more resilient community with goals of protecting our natural resources and ensuring the health & wellbeing of our residents. Get involved through Community Workshops, Public Meetings, and other events. Your voice can help define the goals and policies for Spokane's Sustainability Action Plan.

Visit the website to:

- Read the plan & fill out a survey online
- Watch a video about how and why the plan was drafted
- Attend a Sustainability Action Plan Workshop
- Request a presentation to your organization or community group

Meeting the challenges of a changing climate with **resilience, equity & prosperity**
