••••• **SNAP CAN HELP ADDRESS
HEALTH AND SAFETY
CONCERNS IN YOUR
HOME**

SNAP's Minor Home Repair program performs minor home repairs for homeowners, addressing in-home health and safety deficiencies. Assistance is provided by a grant for income-eligible households. Here is a partial list of repairs with which our programs can help.

Washington State and Federal fair housing and lending regulations apply. SNAP is an Equal Opportunity provider and employer.

SPOKANE WATER. IT'S TAIL WAGGING GOOD.

2022 Water Quality Report is Now Available

Each year, more than 2,000 tests are performed on Spokane's water. In line with years past, your drinking water meets or exceeds all water quality standards. We are extremely proud to provide you reliable, high-quality drinking water.
