

Remember to have your carts out before **7 a.m.**

As the summer months get hotter, garbage, recycling and yard waste routes may begin earlier when temperatures are forecasted to impact employee health. It is important that your carts are out **before 7 a.m.** on your collection day. Don't forget to pull your carts back from the curb or alley in the evening.

Thank you from all of us at Solid Waste Collection!

Do you #RecycleRight?

Keep recycling clean, dry and loose.
Cut and flatten cardboard for more room.

For recycling to thrive, recycle the **YES** items and keep the **NO** items out of your blue bin.
