Do not put wildfire debris into your household solid waste carts.

The City's Waste to Energy Facility, recycling and composting services cannot process debris that may be cross-contaminated with asbestos. Please scan the QR code for information on the proper disposal of wildfire debris.

Our thoughts are with everyone affected by the 2026 Spokane Complex Fire. #SpokaneStrong

Starts Here

Temporary Spokane Complex Fire Relief Fund

This fund is 100% local with all funds and resources deployed directly to the Spokane community. The City is NOT taking any administrative fees. This includes but is not limited to:

Short- and long-term rent assistance

Document recovery fees

Furniture and basic household items such as cookware and linens

Transportation

Necessary personal medical equipment

Diapers

Formula

Children's clothing

Back to school supplies

If you are interested in contributing you can do so by adding a donation to the HOME (Fire 2026) line on your utility bill. Every contribution, no matter the size, can help make a difference in the lives of those who need it most.
